Dear parents and guardians:

The Department of Education, under the Elementary and Secondary Education Act of 1965, as amended, conducts a consultation process with private schools interested in participating in the services of the Federal Programs Title I, part A, Law ESSA 114-95, which are developed in Puerto Rico. In the Consultation for the 2025-2026 school year, it is required to provide information related to the socioeconomic level of each student in our school, among other data.
